

BANASTHALI VIDYAPITH

09 September, 2020.

NOTICE

Banasthali originated in only of its kind situation when a father lost his promising daughter before its hour and decided to train other girls the same way. Their desire to see the departed Shantabai in every girl made love, eternal love the fountain head of all the thinking and motivating force for all the actions. As a result, the Vision and Mission of the Vidyapith are completely embedded in the ethos of the campus so much so that every worker becomes naturally aligned to it and feels a strong zeal to serve as a torch bearer to take it forward.

The Vidyapith has a long tradition wherein every student of the Vidyapith is mapped to a faculty member with whom they will be able to discuss various issues related to academics and other matters requiring mentoring. Keeping the same spirit alive and considering the changing dynamics it is time for the Vidyapith to reconstitute the mentor mapping system.

All Deans are required to ensure mapping the mentees, every student of the Vidyapith, with the mentors, as given in the approved list of mentors being released separately, and inform all of them, with a copy to my office within 2 weeks. Please be advised to submit a report periodically detailing the summary of the academic and stress related issues raised and resolved through mentor-mentee activities.
