University has a robust system to provide support to students for skill development, grooming, career counselling for higher education, competitive exams, placements and entrepreneurship through Career Counselling & Placement Cell and E-Cell. The number of companies visiting Banasthali for campus recruitment is growing exponentially.

Placement cell maintains strong relationship with industry and support students in placement. Regular career counselling and grooming helps them secure good placements.

The Career Counselling and Placement Cell of various departments help the students in their career planning.

It provides information on employment trends, projects development, recruitment methods, occupational reviews, assistance in securing part-time/full-time employment/self-employment, and help in seeking admissions in various institutions and universities. The Cell conducts surveys, arranges and organizes training programmes and workshops for development of personality and communication skills to face interviews and other challenges in their career.
